Welcome back to Term 2! I hope everyone had a relaxing and safe holiday period. I would also like to welcome back to our school community Teagan and Malcolm Lynch. Teagan started in year 11 today and is already looking forward to getting back into the Werrimull way of life and winning the cross country for Tunart. Last welcome back for this Pipeline is to Andrew McCormick, he has re-joined our staff part-time and his knowledge and experience will bring an extra element to our VCE and upper secondary students.

This Term is not only a busy one but also a long one compared to the first, therefore I urge all students to keep healthy through regular exercise, sleeping well, eating a balanced diet and drinking water even though it is getting cooler.

Next week our year 10 and 11’s complete their first work experience for the year. I wish them all the best and it goes without saying they will do our school proud whilst out in the wider community.

Congratulations to Misha Harris and the dancers on the weekend at the music festival. Again the dance students showed off their hard work and dedication in their performance.

Another congratulations goes to Sammy-Jo Sly (year 12 graduate of 2015) as she has just been awarded a scholarship to support her through her university course. The school was a big part of her application and it is well deserved.

Just a reminder that “formal” Parent/Teacher/Student Interviews were the last week of Term and the first week of Term 2 but you can make an appointment at any time to see any of the teachers.

What’s Happening

We had a wonderful first day back yesterday after the Easter holidays and settled in well to the kindergarten routines from last Term. We certainly noticed that the weather is colder in the morning now but by the afternoon it was lovely and sunny. Please remember that the weather can change dramatically throughout the day so layers of clothing are a great idea at this time of year.

Looking at the Dates to Remember already listed below there is a lot happening this Term and there will more dates to come with additional four year old days and visits from the MRRC Children’s Librarian and Della, our KPSA (Koorie Pre-School Assistant), still to be finalised.

This Term we are focusing on Health at the Pre-School, looking at hospitals, doctors, dentists, optometrists, nurses and everyone else within this field. If you have any contacts for either excursions or incursions based around this please let me know.

Shared Snack

At the Millewa Pre-School we have shared snack each day and ask that you bring along one thing to share each day with the rest of the group. If you send along something bigger, such as a packet of dry biscuits, cheese or dried fruit, we don’t expect anything for the next week or two.

Shared Snack Ideas

♦ Fruit
♦ Vegetables
♦ Cheese
♦ Dry biscuits
♦ Dried fruit
♦ No nuts please for shared

Additional Kindergarten Days for 2016

Our second additional day of four year old kindergarten for the year will be Monday 2nd of May for the Werrimull P-12 School Cross Country. This is a fantastic opportunity for the four year old group to participate in a wider range of activities and socialise with a larger group.
